Instructions to Evaluators

Regarding bundle Issue and scripts(Before Evaluation):

- 1) Collect scheme of evaluation of the subject for which the evaluator task is assigned.
- 2) Verify the scripts count in each bundle before starting evaluation. There are 52 answer scripts in each full-bundle.
- 3) Report discrepancy in count immediately at the issue counter.
- 4) Verify the subject name and subject code on all the scripts.
- 5) Return non matching scripts at the issue counter and get them replaced by relevant subject scripts.
- 6) Give sequence number to all scripts and bubble corresponding number on Part-II of answer script.
- 7) Write bundle number on all the scripts.
- 8) Go through the scheme thoroughly before starting to evaluate.

For Evaluation

- 1) Award marks to every question answered even if the marks are zero.
- 2) Award zero even if question number alone is written.
- 3) Marks should be awarded at the end of the answer in the margin only with Red ink pen only.
- 4) Go through the scripts till the last page and strike off all blank sheets.
- 5) Report objectionable data in the scripts, like, Personal data, unrelated stories, statements of requests/abuses etc; to the ACE/section-in-charge without fail.
- 6) Do not forget to sign in the box specified on every answer script.
- 7) Post the total marks of each script in the relevant box of control sheet.
- 8) Compute the grand total of marks of all scripts in the bundle, write in the specified box on the control sheet. Bubble relevant OMR box.
- 9) Write your details on the control sheet and put signature in specified place of control sheet.
- 10) Verify that all the scripts are inserted back in order into the same bundle and submit the bundle at the counter for scrutiny.
