Sherguda(VII), Ibrahimpatnam,
R R. Dist. Telangana -501 510

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 07 Feb 2020.

Between

AMZ AUTOMOTIVE, a firm based at Pune and having its registered office at AM Tower, 3rd Floor, 70 Teachers Colony, Baba Market, DCM, Ajmer Road Jaipur, Rajasthan – 302021, (hereinafter called "**AMZ AUTOMOTIVE**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the **FIRST PART**,

And

Department of Mechanical Engineering, Sri Indu Institute of Engineering and Technology, Main Road, Sheriguda, R.R. Dist., Ibrahimpatnam, Telangana 501510 (hereinafter called as "**College**" which expression unless it be repugnant to the subject or its context includes their successors and assigns) of the **SECOND PART**,

(AMZ AUTOMOTIVE and College are hereinafter individually referred to as "**Party**" and collectively referred to as "**Parties**")

Terms and Conditions:

1. Duration

This MOU shall be valid for Two (2) year/s from ____ Feb 07 2020 and thereafter it may be renewed on mutually agreed terms.

2. Purpose

This MOU is for collaboration between the parties for mutual benefit wherein AMZ AUTOMOTIVE would be providing Technology, Hands on Training in Hydraulics and Automation, Internships, Projects, Placements, to the students of College in order to enhance the quality of the educational experience of the students. Expert seminars workshops can be delivered. Training and other programs can be designed by mutual understanding depending on requirements.

3. College's Standards of Performance:

College shall expend reasonable efforts as follows:

- + College shall provide necessary infrastructure like Computers with necessary legal software & hardware configuration, Labs, Class rooms, Electricity, UPS, and Internet etc. as may be required for carrying out technical training and such other agreed training at College premise.
- + College shall share the data base of the students with AMZ AUTOMOTIVE for the adequate promotion of the courses.
- + College shall provide all such marketing and publication support as may be required to ensure sufficient number of students for the training to be conducted at College premises.
- + College shall collect fees from the students for all the courses conducted at its premises and share the enrolment list along with fee payment details to AMZ AUTOMOTIVE.
- + College shall extend all such necessary co-operation for smooth conduct of above-mentioned activities and training.

 Info@amzindia.com | www.amzautomotive.com

 AM Tower, 3rd Floor, 70, Teacher Colony, Baba Market, DCM, Ajmer Road, Jaipur 302021

4. AMZ AUTOMOTIVE Standard of Performance:

AMZ AUTOMOTIVE shall expend reasonable efforts as follows:

- + AMZ AUTOMOTIVE shall provide training in such areas as may be mutually agreed between the parties, more particularly described in this agreement.
- + AMZ AUTOMOTIVE shall provide competent faculties for the conduct of training at College premises.
- + AMZ AUTOMOTIVE shall provide College with the study material / standard books as agreed between the parties and the College shall use these as per AMZ AUTOMOTIVE guidelines and policies.
- + AMZ AUTOMOTIVE agrees to complete the Course with all respect in scheduled time and in case there is a deviation in the schedule the same would be communicated to College and completed as per mutual understanding between the parties.
- + AMZ AUTOMOTIVE shall provide certification to all students who have successfully completed the examinations conducted at College premises.

5. Mutual Obligations:

- + Both the parties shall appoint one person as one point of contact for smooth execution of the AMZ AUTOMOTIVE.
- + This collaboration shall not be exclusive to both parties and shall not disallow each party from having similar collaboration with others. Except as expressly stated in this MOU, there shall be no obligation on any party to compensate the other in any manner or to make any claim.
- + Each party shall respect the other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.

+91 9361897519

Info@amzindia.com|www.amzautomotive.com

AM Tower, 3rd Floor, 70, Teacher Colony, Baba Market, DCM, Ajmer Road, Jaipur 302021

- + Nothing contained in this MoU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between AMZ AUTOMOTIVE and College. AMZ AUTOMOTIVE and College are not authorized to make any representation, contract, or commitment on behalf of College / AMZ AUTOMOTIVE without the prior written consent of other party.
- + The decision regarding introduction of new course, revision in fees etc. shall be mutually taken by both the parties.

6. Limitation and Warranties:

- + Each party shall ensure that the other is not put to any liability for any act of the respective party under this MoU.
- + Each party represents that they have full power and authority to enter into this MOU in general.

7. Commercial:

- AMZ AUTOMOTIVE & College will decide the rates for the courses, training mutually after discussion if required.

8. General:

- Both the parties may receive information proprietary to other party (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party's possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

Info@amzindia.com|www.amzautomotive.com

AM Tower, 3rd Floor, 70, Teacher Colony, Baba Market, DCM, Ajmer Road, Jaipur 302021

- Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.
- Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.
- The College shall only have the right to accept and implement the syllabus/curriculum as per the advice of the statutory bodies of the College.
- Each party shall be at liberty to terminate this MOU with a written notice period of one (1) month to the other party without any compensation and seeking legal redress.
- College will take the feedback from students about the quality of training after start of the training of first batch, based on which college will take decision of continuing the training programs.

- **Arbitration:**

Any and all disputes or differences between AMZ AUTOMOTIVE and College arising out of or in connection with this MoU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation & understanding.

- **Indemnification:**

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.

- **Copyrights and Ownerships:**

- All the course material/ courseware/ books and such other training material provided by AMZ AUTOMOTIVE and allowed for distribution are its sole

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 1st of April Two Thousand Nineteen (01-04-2019),

BETWEEN

**Sri Indu Institute of Engineering & Technology, Main Road, Sheriguda(V),
Ibrahimpuram(M), R.R. District, Telangana - 501510**

Sri Indu Institute of Engineering & Technology, was established by G.T. Educational Society-1990, Vanasthalipuram, Hyderabad. Sri Indu Group of Institutions was established in 2001 by New Loyola Model Education Society-1978. The society is having proven rich experience in the field of education for more than 30 years, with an intention and commitment to impart school and Technical education of highest quality.

AND

CONSCIENCE TECHNOLOGIES (A Right Platform for All Engineers) #17-83/2C, 3rd Floor, Opp, Bank of Maharashtra, Annapurna Function Hall Line, Dilukh Nagar, Hyderabad, Telangana – 500060, the Second Party, and represented herein by its Director, Mr. B.V.KRISHNA REDDY, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
- ① Sri Indu Institute of Engineering & Technology

Address

#17-83/2C, 3rd Floor Opp. Bank of Maharashtra,
Annapurna Function Hall Line,
Dilukh Nagar, Hyderabad-500060
☎ : 040-6012 1199

- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.
- E) **CONSCIENCE TECHNOLOGIES**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of Electronic and Communication & Engineering- *name of trade and services under the industry concerned* and related fields.
- F) **CONSCIENCE TECHNOLOGIES**, the Second Party is promoted by **promoter name Director, Mr. B.V.KRISHNA REDDY** ; Address and background of the Company;
- G) Give related information, its branches, and dimensional information about the industry concerned with which the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 : CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Sri Indu Institute of Engineering & Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

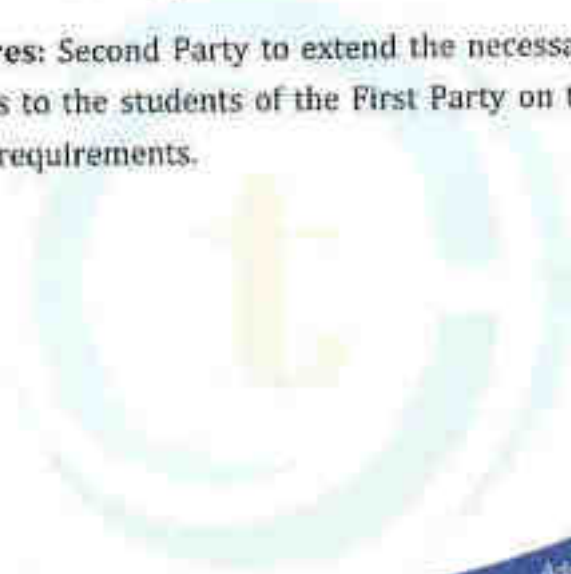

- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 : SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaning fully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the Industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE Internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Electronic and Communication and Engineering where the **CONSCIENCE TECHNOLOGIES** provides specializations, activities and services.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Address:

#17-B1/7C, 2nd Floor, Opp. Bank of Maharashtra,
Annapurna Extension, Hill Line
Dilsukhnagar, Hyderabad-500083

☎ : 040-6012 1199

- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting Industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, If available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Sri Indu Institute of Engineering and Technology**, the First Party to take up any program mentioned in the MOU, If there is any financial consideration, it will be dealt separately.

CLAUSE 3 : INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 : VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **CONSCIENCE TECHNOLOGIES**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **CONSCIENCE TECHNOLOGIES**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 This agreement is Valid for **Three Years** upto **31st Mar 2022**.

- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 : RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad.**

MEMORANDUM OF UNDERSTANDING BETWEEN
GREAT LAKES E-LEARNING SERVICES PVT. LTD
AND
SRI INDU COLLEGE OF ENGINEERING & TECHNOLOGY

THIS MEMORANDUM OF UNDERSTANDING (the "Agreement") is made this 2nd day of November, 2020 by and between GREAT LAKES E-LEARNING SERVICES PVT. LTD, a company incorporated in India and having its corporate office at 2nd Floor, Orchid Centre, Sec-53, Golf course road, Gurgaon, India 122002 (hereafter referred to as "GREAT LEARNING") and Sri Indu College of Engineering and Tehnology, an educational institute set up in India and having its registered office at *Shriviguda, Ibrahimpatnam, RR Dist-501510*.

PURPOSE

That Great Learning intends to assist universities and colleges deliver high quality and impactful online and blended learning by providing access to its Courses and the use of its proprietary end to end cloud based solution, Olympus Digital Campus (hereinafter "Platform") to create a seamless student, faculty and Administration (hereinafter "User") experience that ensures excellent learning outcomes.

That the Institute intends to utilize the Courses offered by Great Learning along with the Platform in providing an online and blended learning experience for students and faculty.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and conditions set forth in this Agreement, Great Learning and Institute (individually, the "Party" and collectively, the "Parties") agree as follows:

I. OBLIGATIONS:

A. Great Learning will

- Provide access to Great Learning Courses to the Institute and its students. These Courses shall be provided to the Institute based on the payment terms agreed upon by both the Parties in writing
- Provide role based access to the Platform based on the Institute's requirements and the subscribed version
- Provide the required assistance to the Institute in setting up the Courses and operations on the Platform
- Conduct trainings for the Users for on-boarding them on the Platform
- Provide the required support in the day to day operations on the Platform

B. Institute will:

- Provide the necessary details as requested by Great Learning for on-boarding the Users on the Platform
- Ensure that the Courses and Platform is used only for the purpose stipulated above
- Grant Great Learning a non-exclusive, non-transferable, and non-sublicenable license to use the Institute's trademarks solely in connection with marketing, promotion and sale of its Courses and Platform.
- Make timely payments for the services rendered under this MoU.

II. TERM AND TERMINATION

This Agreement will be effective on the day of its signing by both Parties. It will be valid for a period of [3] months. The parties may change or modify the Term of this Agreement only by written amendment signed by the parties. This Agreement may be terminated with or without cause by providing written notice to the other party atleast thirty (30) days prior to the effective date of termination.

In the event of expiry or termination of this Agreement, the Institute shall promptly pay to Great Learning, all amounts due and payable to Great Learning under this Agreement or otherwise, for the Courses or the Platform.

III. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

The Parties shall abide by the Privacy Policy and Terms of use specified on the Great Learning website and the Platform, which may be amended from time to time.

The Parties shall abide by the Privacy Policy and Terms of use specified on the Great Learning website and the Platform, which may be amended from time to time

The Parties agree that it shall not acquire any ownership interest in any patents, trademarks, copyrights, domain names, works of authorship, trade secrets, or any other intellectual property (collectively, "Intellectual Property") or confidential information owned by or licensed to the other Party under this Agreement. For the sake of clarity, Great Learning's Courses and the Platform are Great Learning's Intellectual Property.

IV. INDEMNIFICATION

Each Party hereby agrees to indemnify and hold harmless the other Party against any and all liability, claims, suits, losses, costs and legal fees to the extent caused by, arising out of, or resulting from any fraud, willful misconduct, misrepresentation, infringement or misappropriation of Intellectual Property rights, breach of confidentiality and/or negligent act or omission of the Party in the performance and/or failure to perform under this agreement, including the negligent acts or omission of the Party or any direct or indirect employees or Users of the Party.

V. ASSIGNABILITY

The respective rights and obligations of the Parties under this Agreement shall not be assignable.

VI. MODIFICATION

This Agreement constitutes the entire understanding of the Parties with respect to the Relationship and may be modified only by a written agreement signed by each Party.

VII. GOVERNING LAW

This Agreement shall be governed and construed in accordance with the laws of India and the Courts at New Delhi will have sole and exclusive Jurisdiction.

The undersigned have signed this Agreement on the dates respectively indicated below.

**MEMORANDUM OF UNDERSTANDING BETWEEN
GREAT LAKES E-LEARNING SERVICES PVT. LTD
AND
SRI INDU INSTITUTE OF ENGINEERING AND TECHNOLOGY**

THIS MEMORANDUM OF UNDERSTANDING (the "Agreement") is made this [02nd] day of [November] 2020 by and between GREAT LAKES E-LEARNING SERVICES PVT. LTD, a company incorporated in India and having its corporate office at 2nd Floor, Orchid Centre, Sec-53, Golf course road, Gurgaon, India 122002 (hereafter referred to as "GREAT LEARNING") and [Sri Indu Institute of Engineering and Technology], an educational institute set up in India and having its registered office at [Main Road, Sherguda, Ibrahimpatnam, Ranga reddy district – 501 510] (hereinafter referred to as "INSTITUTE").

PURPOSE

That Great Learning intends to assist universities and colleges deliver high quality and impactful online and blended learning by providing access to its Courses and the use of its proprietary end to end cloud based solution, Olympus Digital Campus (hereinafter "Platform") to create a seamless student, faculty and Administration (hereinafter "User") experience that ensures excellent learning outcomes.

That the Institute intends to utilize the Courses offered by Great Learning along with the Platform in providing an online and blended learning experience for students and faculty.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and conditions set forth in this Agreement, Great Learning and Institute (individually, the "Party" and collectively, the "Parties") agree as follows.

I. OBLIGATIONS:

A. Great Learning will

- Provide access to Great Learning Courses to the Institute and its students. These Courses shall be provided to the institute based on the payment terms agreed upon by both the Parties in writing
- Provide role based access to the Platform based on the Institute's requirements and the subscribed version
- Provide the required assistance to the Institute in setting up the Courses and operations on the Platform
- Conduct trainings for the Users for on-boarding them on the Platform
- Provide the required support in the day to day operations on the Platform

B. Institute will

- Provide the necessary details as requested by Great Learning for on-boarding the Users on the Platform
- Ensure that the Courses and Platform is used only for the purpose stipulated above
- Grant Great Learning a non-exclusive, non-transferable, and non-sublicenable license to use the Institute's trademarks solely in connection with marketing, promotion and sale of its Courses and Platform
- Make timely payments for the services rendered under this MoU.

II. TERM AND TERMINATION

This Agreement will be effective on the day of its signing by both Parties. It will be valid for a period of [3] months. The parties may change or modify the Term of this Agreement only by written amendment signed by the parties. This Agreement may be terminated with or without cause by providing written notice to the other party atleast thirty (30) days prior to the effective date of termination.

In the event of expiry or termination of this Agreement, the Institute shall promptly pay to Great Learning, all amounts due and payable to Great Learning under this Agreement or otherwise, for the Courses or the Platform.

III. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

The Parties shall abide by the Privacy Policy and Terms of use specified on the Great Learning website and the Platform, which may be amended from time to time.

The Parties agree that it shall not acquire any ownership interest in any patents, trademarks, copyrights, domain names, works of authorship, trade secrets, or any other intellectual property (collectively, "Intellectual Property") or confidential information owned by or licensed to the other Party under this Agreement. For the sake of clarity, Great Learning's Courses and the Platform are Great Learning's Intellectual Property.

IV. INDEMNIFICATION

Each Party hereby agrees to indemnify and hold harmless the other Party against any and all liability, claims, suits, losses, costs and legal fees to the extent caused by, arising out of, or resulting from any fraud, wilful misconduct, misrepresentation, infringement or misappropriation of Intellectual Property rights, breach of confidentiality and/or negligent act or omission of the Party in the performance and/or failure to perform under this agreement, including the negligent acts or omission of the Party or any direct or indirect employees or Users of the Party.

V. ASSIGNABILITY

The respective rights and obligations of the Parties under this Agreement shall not be assignable.

VI. MODIFICATION

This Agreement constitutes the entire understanding of the Parties with respect to the Relationship and may be modified only by a written agreement signed by each Party.

VII. GOVERNING LAW

This Agreement shall be governed and construed in accordance with the laws of India and the Courts at New Delhi will have sole and exclusive Jurisdiction.

The undersigned have signed this Agreement on the dates respectively indicated below.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 10th of April Two Thousand Nineteen (10-04-2019),

BETWEEN

**Sri Indu Institute of Engineering & Technology, Main Road, Sheriguda (V),
Ibrahimpattanam (M), R.R. District, Telangana -501510**

Sri Indu Institute of Engineering & Technology, was established by G.T. Educational Society-1990, Vanasthalipuram, Hyderabad. Sri Indu Group of Institutions was established in 2001 by New Loyola Model Education Society-1978. The society is having proven rich experience in the field of education for more than 30 years, with an intention and commitment to impart school and Technical education of highest quality.

AND

Kt Software Solutions I Floor, Above Bhavana Bank, Opp. Main Bus stop, L.B. Nagar, Hyderabad, Telangana - 500074, the Second Party, and represented herein by its Director, **Mr. G NARESH KUMAR REDDY**, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

(I) Sri Indu Institute of Engineering & Technology

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.
- E) **Kt Software Solutions**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of Computer Science & Engineering- *name of trade and services under the industry concerned and* related fields.
- F) **Kt Software Solutions**, the Second Party is promoted by **promoter name Director, Mr. G NARESH KUMAR REDDY**; Address and background of the Company;
- G) Give related information, its branches, and dimensional information about the industry concerned with which the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 :CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Sri Indu Institute of Engineering & Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give

effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Computer Science and Engineering where the **Kt Software Solutions** provides specializations, activities and services.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Sri Indu Institute of Engineering and Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Kt Software Solutions**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Kt Software Solutions**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 This agreement is Valid for **Three Years upto 9th Apr 2022**.
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 : RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad**.

An IIM Alumnus Enterprise

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 1st of February Two Thousand Nineteen (01-02-2019),

BETWEEN

**Sri Indu Institute of Engineering & Technology, Main Road, Sheriguda(V),
Ibrahimpattanam(M), R.R. District, Telangana - 501510**

Sri Indu Institute of Engineering & Technology, was established by G.T. Educational Society-1990, Vanasthalipuram, Hyderabad. **Sri Indu Group of Institutions** was established in 2001 by New Loyola Model Education Society-1978. The society is having proven rich experience in the field of education for more than 30 years, with an intention and commitment to impart school and Technical education of highest quality.

AND

MANAC INFOTECH(P) LIMITED Branch 1: Liberty; 2nd Floor, Sagar View Complex, Opp. HMC, Hyderabad, Telangana - 500029. Branch 2: Dilsukhnagar; 1st Floor, Vanijya Vihar, Above Airtel Office, Hyderabad, Telangana - 500060, the **Second Party**, and represented herein by its Center Manager, **Mr. M KONDAL REDDY**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 - (i) **Sri Indu Institute of Engineering & Technology**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.
- E) **MANAC INFOTECH (P) LIMITED**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of Electronics and Communications Engineering - *name of trade and services under the industry concerned and* related fields.
- F) **MANAC INFOTECH(P) LIMITED**, the Second Party is promoted by **Center Manager, Mr. M KONDAL REDDY** ; Address and background of the Company;
- G) Give related information, its branches, and dimensional information about the industry concerned with which the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Sri Indu Institute of Engineering & Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaning fully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the Industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into Internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Computer Science and Engineering where the **MANAC INFOTECH (P) LIMITED** provides specializations, activities and services.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Sri Indu Institute of Engineering and Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **MANAC INFOTECH(P) LIMITED**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **MANAC INFOTECH(P) LIMITED**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 This agreement is Valid for **Three Years** upto **31st Jan 2022**.
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad**.

PREAMBLE

Whereas, **Sri Indu Institute of Engineering & Technology** (hereafter called as **Educational Institute**) at its various engineering Programmes are charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial consultancy.

WHEREAS, MULTITECH SYSTEMS, KACHIGUDA HYDERABAD, (hereafter called as **INDUSTRY**) is engaged in manufacturing of Electronics/Electrical & Instrumentation Equipments/Kits products, research, design and development and consultancy in the field of Microprocessors , Microcontrollers and related fields.

WHEREAS, both **Educational Institute and INDUSTRY**, now

- Recognizing the importance of training the Teaching Staff, Students and Industry Employees of various levels and research and development in the areas of fields mentioned above.
- Appreciating the need for creation of large reservoir of qualified manpower in all fields related to Microprocessors, Microcontrollers, PLCs, Microwave & Fiber Optics Communications, Industrial Automation, Embedded Systems, Advanced Communication, Test and Measuring Instruments, ECE/EEE/IE Lab Trainer Kits/Equipments.
- Desiring to club their efforts by pooling their expertise and resources,

INTEND to form a nucleus for promoting excellent quality manpower in the fields of engineering with special emphasis on above mentioned areas and related fields etc.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both **Educational Institute and INDUSTRY** hereby acknowledge, **Educational Institute and INDUSTRY** hereby agree to sign a memorandum of understanding (MoU) on this the 24 th day of April 2019, at Hyderabad.

ARTICLE-I: SCOPE OF THE MOU

This MoU details the modalities and general conditions regarding collaboration between **Educational Institute and INDUSTRY** for enhancing, within the country, the availability of highly qualified manpower in the areas of Microprocessors , Microcontrollers ,PLCs, Microwave & Fiber Optics Communications Industrial Automation, Embedded Systems ,Advanced Communication, Test and Measuring Instruments, ECE/EEE/IE Lab Trainer Kits/Equipments.

without any prejudice to prevailing rules and regulations in **Educational Institute and INDUSTRY** without any disregard to any mechanism evolved and approved by the competent authorities under Govt. of India in so far as such mechanism applies to **Educational Institute and INDUSTRY**. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both **Educational Institute and INDUSTRY** shall encourage interactions between the Engineers, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of joint conferences and seminars;
- c) Practical training of Institutional students at INDUSTRY;
- d) Joint guidance of student projects/thesis is TO BE INTRODUCED HERE and other areas of national interest at Institute by INDUSTRY on mutually agreeable terms.
- e) INDUSTRY would accommodate Engineering students who have completed the relevant semester of their programme in such a number that INDUSTRY deems convenient to it for the purpose of imparting industrial training.
- f) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- g) INDUSTRY may depute its personnel as visiting faculty at Institute for Orientation any of the regular Course or specialized Topics if any
- h) INDUSTRY employees, may also be allowed to enroll for Academic courses at Institute subject to availability of seats, and subject to their fulfilling eligibility criteria and all other academic regulations of Educational Institute.
- i) INDUSTRY may seek assistance/guidance of Institute faculty member/s in product/process modification, modernization, trouble shooting, etc.
- j) INDUSTRY may showcase its business activities at the seminar/workshop/conference, etc. at Institute.
- k) INDUSTRY may avail library, Internet, computational facilities at Institute.
- l) A Research Scientist/Engineer at INDUSTRY may be appointed a Co-project guide for project work as per the rules of the respective institute for a student Registered at Institute. The student maybe encouraged to take up the project such that INDUSTRY desirably benefits from its outcomes.
- m) The students will carry out part of their project work at **Educational Institute and INDUSTRY** depending on the nature of the work as per rules of the respective institute depending on facilities and requirements.
- n) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent.
- o) Both **Educational Institute and INDUSTRY** will be free to independently carry out follow-up research on the thesis work conducted under this scheme.
- p) If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form such as Electronically/verbal, etc. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc by the parties under the law will be decided on case to case basis after mutual consultation.
- q) Project supervisors from both the Institutes will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MoU will be accounted for by way of reporting the work in thesis

and/or paper publication except the part for which IPR needs be claimed.

- r) Neither of the supervisors will publish the work carried out under this MoU without knowledge of the other.
- s) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III : SHARING OF FACILITIES

- a) **Educational Institute and INDUSTRY** shall make provisions to share their respective important technical R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- b) **Educational Institute and INDUSTRY** shall permit the sharing software and other materials and components developed in-house in the areas of cooperation, if permissible within the rules governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head of academic department/section.
- c) **Educational Institute and INDUSTRY** shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative programme between **Educational Institute and INDUSTRY** shall be coordinated by a coordination committee appointed by Directors of both the Institutes.
- b) Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V : EFFECTIVE DATE AND DURATION OF MOU

- a) This MoU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MoU shall be for a period of 3 years from the effective date.
- c) During its tenancy, the MoU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MoU.
- d) Any clause or article of the MoU may be modified or amended by mutual agreement of **Educational Institute and INDUSTRY**.

ARTICLE-VI : Intellectual Property Rights (IPR)

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: CONFIDENTIALITY

During the tenure of the MoU both **Educational Institute and INDUSTRY** will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

Both **Educational Institute and INDUSTRY** shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or PROJECTS.

Further both **Educational Institute and INDUSTRY** shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

Educational Institute and INDUSTRY shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions. However confidential information shall not include any data or information which:

- (a) is or becomes publicly available through no fault of the receiving party,
- (b) is already in the rightful possession of the receiving party prior to its receipt of such data or information;
- (c) is independently developed by the receiving party without reference to the confidential information of the disclosing party
- (d) is rightfully obtained by the receiving party from a third party or is in the public domain
- (e) is disclosed with the written consent of the party whose information it is, or
- (f) is disclosed pursuant to court order or other legal compulsion, after providing prior notice to the disclosing party.

ARTICLE-VIII: AMENDMENTS

Any amendment and/or addenda to the AGREEMENT shall be in writing and signed by the PARTIES hereto and shall only after such execution be deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addenda.

ARTICLE-IX: RESOLUTION OF DISPUTES

- a) This agreement shall take effect and be construed in accordance with the Laws of India and be subject to the jurisdiction of the courts at HYDERABAD
- b) The dispute or difference whatsoever arises between PARTIES in relation to or in connection with this AGREEMENT both the parties shall first try to resolve the dispute/difference amicably between themselves, failing which the matter shall be referred to and settled through arbitration. The arbitration proceedings shall be held in accordance with the provision of Indian Arbitration and Reconciliation

ACT, 1996. The venue of arbitration shall be **Hyderabad** and Language of arbitration shall be **English**.

ARTICLE-X: MISCELLANEOUS

- a) The headings and sub-headings are inserted for convenience only and shall not affect the construction of this Agreement.
- b) Both **Educational Institute and INDUSTRY** shall not, during the term of this Agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party without the prior consent in writing of that other party.
- c) No failure to exercise and no delay in exercising, on the part of a Party, and right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, power and privileges herein provided are cumulative and not exclusive of any right, remedies, powers and privileges provided by law.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 2nd of February Two Thousand Nineteen (**02.02.2019**),

BETWEEN

**Sri Indu Institute of Engineering and Technology, Main Road, Sheriguda(V),
Ibrahimpatnam(M), R.R.dist, Telangana – 501 510**

Sri Indu Institute of Engineering & Technology was established by G.T. Educational Society-1990, Vanasthalipuram, Hyderabad. **Sri Indu Group of Institutions** was established in 2001 by New Loyola Model Education Society-1978. The Society is having proven rich experience in the field of education for more than 30 years, with an intention and commitment to impart School and Technical education of highest quality.

AND

National Institute of Amateur Radio, Raj Bhavan Road, Hyderabad-500082,
The Second Party, represented herein by its **Executive Vice Chairman & Director,**
Mr. S. Ram Mohan, which expression, unless excluded by or repugnant to the
Subject or context shall include its successors-in-office, administrators and assigns.

(First Party and Second Party are here in after jointly referred to as 'Parties' and
individually as 'Party')

WHEREAS:

- (A) First Party is a Higher Educational Institution named:
(i) **Sri Indu Institute of Engineering and Technology**

(B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

(C) The Parties intent to cooperate and focus their efforts on cooperation within area Of Skill Based Training, Education and Research.

(D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;

(E) **National Institute of Amateur Radio**, the Second Party is engaged in Promotion of Amateur Radio Skill Development, Education and R&D Services, Disaster Management and related fields.

(F) **National Institute of Amateur Radio**, a Non Government Organization (NGO) established in the year 1983, with its Head Quarters in Hyderabad, Telangana . Over the last 35 years, it has made incredible accomplishments in creating awareness, government advocacy and service to society. The services provided by **National Institute of Amateur Radio (NIAR)** during natural and manmade calamities have brought worldwide recognition and accolades. Promote peoples participation in communications, Information Technology and Disaster Management through amateur radio

- A holistic and inclusive approach adopted to ensure that the benefits from the field of amateur radio wireless communication are accrued to the National policies on development.
- The spin-offs achieved from the increased utilization of amateur radio resource will be accrued to socio-economic and ICT development in the country.

National Institute of Amateur Radio (NIAR) works to support advancement of global Amateur Radio activity in terms of promotion training government advocacy, technical support, knowledge repository and research, exceed the expectation with commitment, quality and excellent service. The necessary Infrastructure and other essential facilities are created to achieve the above objectives with commitment to deliver services to Hams, communities, policy makers, organizations to accomplish integrated information systems and provide excellent second line of communication through amateur radio.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

(ii) Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Sri Indu Institute of Engineering and Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.1 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.2 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaning fully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit National Institute of Amateur Radio and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships for Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Amateur Radio in the areas of digital communication, antennas and latest areas of communication.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the **Sri Indu Institute of Engineering and Technology** the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **National Institute of Amateur Radio**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **National Institute of Amateur Radio**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 This agreement is valid for Two years up to 2nd Feb 2021.
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 4.4 The Memorandum of Understanding can be extended beyond the Term of Agreement through the consent of both parties.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

[Handwritten signature in green ink]
First Party

[Handwritten signature in black ink]
Second Party

Sri Indu Institute of Engineering and Technology, National Institute of Amateur Radio

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad**.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 1st of February Two Thousand Nineteen **(01-02-2019)**,

BETWEEN

**Sri Indu Institute of Engineering & Technology, Main Road, Sheriguda(V),
Ibrahimpatnam(M), R.R. District, Telangana -501510**

Sri Indu Institute of Engineering & Technology, was established by G.T. Educational Society-1990, Vanasthallipuram, Hyderabad. **Sri Indu Group of Institutions** was established in 2001 by New Loyola Model Education Society-1978. The society is having proven rich experience in the field of education for more than 30 years, with an intention and commitment to impart school and Technical education of highest quality.

AND

Outshade Digital Media, 88B, SBO Colony, Sainikpuri, Hyderabad, Telangana – 500094, the Second Party, and represented herein by its CEO, **Mr. Gutta Manish Kumar**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

(i) Sri Indu Institute of Engineering & Technology

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **Outshade Digital Media**, the Second Party is engaged in Business, Skill Development, Education, IT Services and R&D Services in the fields of Information Technology and related fields.
- F) **Outshade Digital Media**, the Second Party is promoted by **Manish Kumar Gutta**; 88B, SBO Colony, Sainikpuri, Hyderabad, Telangana - 500094.
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Sri Indu Institute of Engineering & Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy.

- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Outshade Digital Media, specializations, activities and services -Artificial Intelligence, Machine Learning and Design Thinking.**
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the **Sri Indu Institute of Engineering and Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Outshade Digital Media**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Outshade Digital Media**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 This agreement is Valid for Three Years up to **31st Jan 2022**.
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad**.

PHYSITECH ELECTRONICS

Manufacturers of Test & Measuring Instruments

**MEMORANDUM OF UNDERSTANDING
(MoU)**

BETWEEN

**SRI INDU INSTITUTE OF ENGINEERING &
TECHNOLOGY**

**DEPARTMENT OF ELECTRONICS AND COMMUNICATION
ENGINEERING**

Main Road, Sheriguda(V), Ibrahimpatnam(M), R.R. dist, Telangana - 501510
Tel: 9640590999 Email: principalsriet@gmail.com Url : <http://sriet.ac.in/india>

AND

**PHYSITECH ELECTRONICS
HYDERABAD**

(INDUSTRY)

PREAMBLE

Whereas, **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, (hereafter called as Engineering College) at its various engineering Programmes are charged with responsibility of training technical and scientific manpower in various front-line areas of importance for the Nation and is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial consultancy.

WHERE AS, **PHYSITECH ELECTRONICS**, (hereafter called as INDUSTRY) is engaged in manufacturing of VARIOUS ELECTRICAL & ELECTRONICS DEVICES, research, design and development and consultancy in the field of DESIGNING and related fields.

WHEREAS, both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, and **PHYSITECH ELECTRONICS**, now:

- Recognizing the importance of training the Teaching Staff, Students and Industry Employees of various levels and research and development in the areas DESIGNING & PRODUCTION.
- Appreciating the need for creation of large reservoir of qualified manpower in all fields related to ELECTRONICS.
- Desiring to club their efforts by pooling their expertise and resources.

INTEND to form a nucleus for promoting excellent quality manpower in the fields of engineering with special emphasis on CIRCUIT DESIGNING and related fields etc.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, and **PHYSITECH ELECTRONICS** hereby acknowledge, **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam And **PHYSITECH ELECTRONICS** hereby agree to sign a memorandum of understanding (MoU).

ARTICLE-I: SCOPE OF THE MOU

This MoU details the modalities and general conditions regarding collaboration between **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, and **PHYSITECH ELECTRONICS** for enhancing, within the country, the availability of highly qualified manpower in the areas of CIRCUIT DESIGNINGS without any prejudice to prevailing rules and regulations in **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, and **PHYSITECH ELECTRONICS** without any disregard to any mechanism evolved and approved by the

competent authorities under Govt. of India in so far as such mechanism applies to **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam and **PHYSITECH ELECTRONICS**. The areas of cooperation can be extended through mutual consent.

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both, **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam and **PHYSITECH ELECTRONICS** shall encourage interactions between the Engineers, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation as per the rules of the respective institute, for limited periods as mutually agreed upon;
- b) Organization of joint conferences and seminars;
- c) Practical training of Polytechnic students at INDUSTRY;
- d) Joint guidance of student projects/thesis is **TO BE INTRODUCED HERE** and other areas of national interest at Polytechnic by INDUSTRY on mutually agreeable terms;
- e) INDUSTRY would accommodate Diploma students who have completed the 6th semester of their programme in such a number that INDUSTRY deems convenient to it for the purpose of imparting industrial training;
- f) Would allow the industrial visits of students for half/full day to provide them with an exposure to various equipment, instrument, etc.
- g) INDUSTRY may depute its personnel as visiting faculty at Polytechnic to teach any of the regular Course or specialized topics;
- h) INDUSTRY employees, may also be allowed to enroll for diploma courses at Polytechnic, subject to availability of seats, and subject to their fulfilling eligibility criteria and all other academic regulations of Polytechnic;
- i) INDUSTRY may seek assistance/guidance of Polytechnic, faculty member/s in product/process modification, modernization, trouble shooting, etc.
- j) INDUSTRY may showcase its business activities at the seminar/workshop/conference, etc. at Polytechnic;
- k) INDUSTRY may avail library, Internet, computational facilities at Polytechnic;
- l) A Research Scientist/Engineer at INDUSTRY may be appointed a Co-project guide for project work as per the rules of the respective institute for a student Registered at Polytechnic. The student maybe encouraged to take up the project such that INDUSTRY desirably benefits from its outcomes;
- m) The students will carry out part of their project work at **ENIGEERING COLLEGE and INDUSTRY** depending on the nature of the work as per rules of the respective institute depending on facilities and requirements;
- n) There will be no restriction on the contents of the thesis and on publication of results of the thesis, subject to the condition that no Intellectual Property Rights can be secured for any part of the work which will be decided with mutual consent;
- o) Both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, And **PHYSITECH ELECTRONICS** will be free to independently carry out follow-up research on the thesis work conducted under

this scheme.

- p) If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and the Country, the same will not be allowed for publication/printing in any form such as Electronically/verbal, etc. If the outcome of a project results into an intellectual property, for which rights can be secured, it will be decided on case to case basis. Similarly, sharing of expenditure in securing such rights and income accrued through royalty etc by the parties under the law will be decided on case to case basis after mutual consultation.
- q) Project supervisors from both the Institutes will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this MoU will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which IPR needs be claimed.
- r) Neither of the supervisors will publish the work carried out under this MoU without knowledge of the other.
- s) In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

ARTICLE-III : SHARING OF FACILITIES

- a) **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam **And PHYSITECH ELECTRONICS** shall make provisions to share their respective important technical R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- b) **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, **And PHYSITECH ELECTRONICS** shall permit the sharing software and other materials and components developed in-house in the areas of cooperation, if permissible within the rules governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head of academic department/section.
- c) **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, **and PHYSITECH ELECTRONICS** shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative programme between **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam,

coordination committee appointed by Directors of both the Institutes.

- b) Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V :EFFECTIVE DATE AND DURATION OF MOU

- a) This MoU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MoU shall be for a period of 5 years from the effective date.
- c) During its tenancy, the MoU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MoU.
- d) Any clause or article of the MoU may be modified or amended by mutual agreement of **PHYSITECH ELECTRONICS and SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY, Sheriguda (V), Ibrahimpatnam**

ARTICLE-VI : Intellectual Property Rights (IPR)

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MoU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: CONFIDENTIALITY

During the tenure of the MoU both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY, Sheriguda (V), Ibrahimpatnam and PHYSITECH ELECTRONICS** will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

Both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY, Sheriguda (V), Ibrahimpatnam and PHYSITECH ELECTRONICS** shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or **PROJECTS**.

Further both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam and **PHYSITECH ELECTRONICS** shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY, Sheriguda (V), Ibrahimpatnam and **PHYSITECH ELECTRONICS** shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions. However confidential information shall not include any data or information which:

- (a) is or becomes publicly available through no fault of the receiving party,
- (b) is already in the rightful possession of the receiving party prior to its receipt of such data or information;
- (c) is independently developed by the receiving party without reference to the confidential information of the disclosing party
- (d) is rightfully obtained by the receiving party from a third party or is in the public domain
- (e) is disclosed with the written consent of the party whose information it is, or
- (f) is disclosed pursuant to court order or other legal compulsion, after providing prior notice to the disclosing party.

ARTICLE-VIII : AMENDMENTS

Any amendment and/or addenda to the AGREEMENT shall be in writing and signed by the PARTIES hereto and shall only after such execution be deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addenda.

ARTICLE-IX: MISCELLANEOUS

- a) The headings and sub-headings are inserted for convenience only and shall not affect the construction of this Agreement.
- b) Both **SRI INDU INSTITUTE OF ENGINEERING & TECHNOLOGY**, Sheriguda (V), Ibrahimpatnam, and **PHYSITECH ELECTRONICS** shall not, during the term of this Agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party without the prior consent in writing of that other party.
- c) No failure to exercise and no delay in exercising, on the part of a Party, any right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power

or privilege. The rights, remedies, power and privileges herein provided are cumulative and not exclusive of any right, remedies, powers and privileges provided by law.

- d) After this Agreement has been signed, all preceding understandings/negotiations and correspondence pertaining to it shall become null and void.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 2nd of February Two Thousand Nineteen (02-02-2019)

BETWEEN

**Sri Indu Institute of Engineering & Technology, Main Road, Sheriguda(V),
Ibrahimpattanam(M), Rangareddy District, Telangana -501510**

Sri Indu Institute of Engineering & Technology (hereinafter referred as 'First Party') was established by G.T.Educational Society-1990, Vanasthalipuram, Hyderabad. Sri Indu Group of Institutions was established in 2001 by New Loyola Model Education Society-1978. The society is having proven rich experience in the field of education for more than 30 years, with an intention and commitment to impart school and Technical education of highest quality.

AND

Qubics Technologies -, the Second Party is promoted by **K.DHARMA.RAO, Dilsukhnagar, Hyderabad** and represented herein by its **Director, Mr. K.DHARMA.RAO** (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 - (i) Sri Indu Institute of Engineering & Technology
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) - **Qubics Technologies** - , the Second Party is engaged in Business, Skill Development, Education and R&D Services in the fields of - ***Project Management, Fabrication works, machinery Installation, Designs- and related fields.***
- F) - **Qubics Technologies** - ,the Second Party is promoted by **K.DHARMA.RAO, Dilsukhnagar, , Hyderabad**, It is a Non Government Organization, Established in Hyderabad, they are engaged in providing various kind of mechanical equipment service and Fabrication, , , These are offered as per the requirement of esteemed clients

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Sri Indu Institute of Engineering & Technology** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Roads, Materials, Buildings, Construction, Layouts, Design, Plans and Estimations.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the Industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the **Sri Indu Institute of Engineering & Technology**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Qubics Technologies**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Qubics Technologies**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 This agreement is Valid for Three Years up to 22nd Feb 2022
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **Sri Indu Institute of Engineering & Technology** and **Qubics Technologies** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

**Sri Indu Institute of Engineering
& Technology**

**QUBICS TECHNOLOGIES
PVT. LTD.**

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad**.
