FEEDBACK ANALYSIS AND ACTION TAKEN REPORT: 2020-2021

IQAC makes it a tradition to mandatorily collect feedback from stakeholders- students, teachers, alumni and employers. This is done by the feedback committee. It collects and analyse the feedbacks from different stakeholders and submit action taken report to the appropriate bodies.

Objective:

The objective of this exercise is to gauge the impact of all the efforts of the institution on the various stakeholders. The institution intends to enhance its benefits to reach all the stakeholders. This feedback is collected and analysed through statistical tools. Based on the opinions of the stakeholders, further action is taken by the feedback committee.

Methodology:

- The Feedback on curriculum is collected from students by circulating the Feedback Forms. It is collected by the IQAC and will be submitted to feedback committee to deliberate on various suggestions made by the stake holders
- The feedback committee holds meeting at the end of the academic year to discuss on the various suggestions and prepare action taken report.
- The action taken report will be circulated among the staff members through the IQAC and a copy of the same report is submitted to SQAC.

Analysis:

The data is compiled and analysed through statistical tools. It is given for deliberation to the head of the institution.

General Action Plan after data collection and analysis

- Based on the Annual Feedback Action Taken Report plans for the next academic year will be prepared in the faculty meeting.
- Department level meetings are also held to execute and implement the action plan.
