SWACHH BHARATH

Sri Indu Institute of Engineering & Technology – NSS Unit has organized “Swachh Bharath” event on 1st October 2018. The NSS Student volunteers have visited our campus cleaned the nook and corner of the campus with the motto of Save the environment & Reduce global warming and created an awareness on cleanliness.

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019,” said Shri Narendra Modi has launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. While leading the mass movement for cleanliness, the Prime Minister exhorted people to fulfill Mahatma Gandhi’s dream of a clean and hygienic India. Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station. Picking up the broom to clean the dirt, making Swachh Bharat Abhiyan a mass movement across the nation, the Prime Minister said people should neither litter, nor let others litter.

A Brief Report on HARITHA HARAM:

The principal Dr. I. Satyanarayana started this programme with great enthusiasm and he said that our life continues until we breathe in and out. We owe our existence to the plant kingdom. Plants provide food to all terrestrial living beings. But no other organism can deplete the green cover like us. Plants not only absorb carbon dioxide but also other polluting gases like carbon monoxide, sulfur dioxide, and nitrous oxides. Trees are home to many birds, insects, and animals. They help in increasing the groundwater level and also prevent floods and landslides. Trees make the surroundings naturally cool and give an aesthetic look. He concluded his speech with 'Go Green Drive'
