## 1. PROCEDURES FOR UTILIZATION AND MAINTANANCE OF COMPUTER

Standard operating procedure will set the guidelines for utilizing and maintenance of computers across various departments in the institution.

### PROCEDURE FOR UTILIZATION OF COMPUTERS

- A log book is maintained for the users where they are supposed to make an entry for having logged into the computer. And they are asked to mention the time of check-in and check-out.
- Users are instructed to follow do's and don'ts pertaining to usage of the computers.
- Users are not allowed to plug-in any external hardware devices like pen-drives etc without prior permission of the lab in-charge.
- Users are made responsible for any fault or damage to the computer.
- Users should not either delete or install any data or software without the knowledge of the lab in-charge

### .PROCEDURE FOR MAINTENANCE /SERVICE OF THE COMPUTERS

- If any problem arises, with the computer hardware or software, the lab in-charge has to send a letter to the principal through the concerned department HOD's.
- The letter is forwarded to the principal after duly signed by concerned department HOD's, to initiate repair or replacement of the same
- Depends on the nature of the problem the repair process is initiated with the help of technical staff or by inviting technicians.
- System administrator along with the instructors of the respective labs are responsible for updating of firewall , antivirus, office automation software, Microsoft campus agreement and also up gradation of hardware chips to meet the requirement of course syllabus and curriculum.

## 2. STANDARD OPERATING PROCEDURES FOR SPORTS FACILITIES

- Physical Education Director is responsible to schedule the various sports activities, events, and timeslots accordingly with the sports time table set by SIIET,
- Physical Education Director take part in the events organized by university level.
- Students are allowed to practice and play the games from 3 pm to 5 pm.
- Students are allowed to use indoor and outdoor sports facilities and required sports infrastructure with prior permission of physical educational director.
- The preventive measures are also taken care by providing necessary first aid kit and telephone numbers of nearby hospital and ambulance.
- Institute provides facilities both Gymnasium and Yoga practice.
- Necessary training classes are scheduled by Physical Education Director
- Physical Educational Director helps in organizing, supervising, and officiating games and recreational activities.

## 3. SOP FOR ESTABLISHMENT, UTILIZATION AND MAINTENANCE OF LABORATORIES

### Establishing a New Laboratory/Procuring new Equipments :

- It is the responsibility of the concerned department HOD's and senior faculty member to prepare a detailed plan for establishing a new lab based on the requirement to comply with JNTUH syllabus.
- The lists of the equipments are submitted to the Principal.
- On approval, based on the requirement at least three tenders are invited with their quotations.
- A comparative statement of both Price & Technical features is made.
- On thorough scrutiny, Tenders is finalised and the Purchase of Order is raised.
- On receipt of the equipment & completion of Installation, supplier has to train the Lab In Charge about the Operation & maintenance.

### UTILIZATION OF LAB:

- A detailed schedule is prepared for conducting laboratories by creating required number of batches for each Class.
- Faculty in charge and the lab assistant are responsible to deliver the instructions to conduct the lab.
- The institution has unique practice of maintain log books where information about the in and out time.
- Also the details of the equipments machines like supplier name, supply date, service date etc are maintained.

### MAINTENANCE OF LAB ::

- All the laboratories in the institution are subjected to periodic maintenance by the Lab assistant and faculty members. In the event of failure, repair or replacement will be carried out.
- Maintaining the neatness is a prime concern to keep equipments machine etc in good working condition .The tasks is taken care by attendee and housekeeping staff.

## **4. SOP FOR CLASS ROOM MAINTENANCE AND OTHER GENERAL MAINTENANCE**

- Class room maintenance is monitored by the in charges and HOD's system of the respective department. Any issues pertaining to maintenance of class rooms are communicated to concerned persons for further follow-up and necessary action.
- The general maintenance includes maintenance of civil, plumbing and electrical works. This responsibility lies on the Administrative Officer and Principal
- The complaints are normally received by the In charges and HOD 's of concern department periodically Based on the complaint received the nature of the complaints the Administrative officer initiates the process of maintenance work with the help of concerned workers exclusively recruited for the purpose of maintenance.
- Once the process is initiated the list of necessary materials and components submitted to the vice principal and the same list is forwarded to the central store of the institute. Another important of the general maintenance is electrical system maintenance which includes diesel generator sets and other equipment.
- Also the generator servicing maintaining stock registers will be taken care by the concerned staff.
- Apart from the DG set stand-by Electricity Generating Unit , maintenance it is the responsibility of designated staff to check the earth resistance, watering the earth pits and noting down the readings of various indicating instruments in the control room
- The team of electricians will inspect class rooms, labs corridors and streets etc for lights, bulbs, fuse for their working condition periodically.
- Institute also has installed BIOMETRIC unit to record and monitor the attendance of all the employees (teaching non teaching supporting staff etc.)
- BIOMETRIC units are subjected to periodic inspection by vendors.

## 5. STANDARD OPERATING PROCEDURE FOR LIBRARY

- Students and faculties use to login to the library after signing in the gate register.
- Using their ID S students can be issued 3 books in his/her account for a period of 15 days, and faculty can be issued only 5 books n his/her account for a year.
- Books will be issued by using their IDs in library computer .The books to be issued shall also be scanned for its Barcode
- E-library has been made accessible through login ID and passwords so that to keep its recourses secure and limited to the students /faculty/researchers only. The library is a user friendly library with Printed journals and e-journals also available from J –Gate Engineering and Technology, DELNET.
- The reference section of the library has the rich collection of INDIAN and international editions textbooks and reference books.
- And request can be made to the concerned for having access to the full text of the desired research paper.

### MAINTENANCE:

- The library in charge monitors the well maintenance of the library such as maintaining the registers, availability of books as per the requirement of the students and staff and the cleanliness of the premises.
- As there are large volumes of books in the library, 100% physical check of books will be done at the beginning of the academic year books added every year will be taken into account.
- Loss of volumes of books issued/ consulted in a year will be fined to the user or the user can replace the same with new once.
- Loss of a book of value exceeding Rs.1000/-(Rupees one thousand only) and rare books irrespective of value shall invariably be investigated and appropriate action taken for that particular user.

## Maintenance Process

### Maintenance of Laboratory Equipment:

- Laboratory In-charge along with laboratory Assistant ensures proper working of all equipment at the beginning of each semester.
- Repairs and Maintenance of laboratory equipments are initiated by the respective laboratory In-charge as and when required.

### Maintenance of Computer Laboratories:

- Maintenance of computers, software installations and networking are handled by the System Administrator.
- LAN and Wi-Fi are regularly checked by the System Administrator.
- The computer systems and other sensitive equipments (servers, Projectors, Printers, Scanners, Xerox machines, Bio-metric machines) are provided with UPS systems to avoid any damage during power Outages.

### Library Maintenance:

- The librarian is the Incharge for handling all the maintenance works required in the library through maintenance staff. Librarian takes care of utilization of books, computers and other learning materials in the library.
- Librarian collects the requirement for a list of books, journals and other resources from all HODs during the commencement of each Academic year. The list is duly verified and approved by the Principal.

### Maintenance of Class rooms:

- The benches and windows are cleaned and mopping of the class rooms is done everyday.
- In case of any damage to the projector, internet, the class mentor brings it to the notice of the Administration. The necessary follow up is done by the Administration and steps are taken to fix whatever is broken.
- At the beginning of each semester the readiness of the classrooms, ICT facilities and furniture are verified by the Administrative Officer.

## Maintenance of Sports Facilities

- Physical Education Director is responsible to schedule the various sports activities, Events, and timeslots accordingly with the sports time table set by SIET,
- Physical Education Director take part in the events organized by university level.
- Students are allowed to practice and play the games from 3 pm to 5 pm.
- Students are allowed to use indoor and outdoor sports facilities and required sports infrastructure with prior permission of physical educational director.
- The preventive measures are also taken care by providing necessary first aid kit and telephone numbers of nearby hospital and ambulance.
- Institute provides facilities both Gymnasium and Yoga practice.
- Necessary training classes are scheduled by Physical Education Director
- Physical Educational Director helps in organizing, supervising, and officiating games and recreational activities.

## Maintenance of Vehicle Maintenance:

- Preventative maintenance is performed daily which includes fuel and fluid level checks.
- Vehicle records with all maintenance tasks performed, vehicle miles and emissioncontrol reports are maintained.)

## Maintenance of Building and Infrastructure:

- Maintenance of buildings and related areas are under taken by the maintenance staff. This maintenance staff consists of qualified electricians, Carpenters, plumbers and other service personnel.

## Maintenance of sensitive equipment, power and water supply:

Category	Capacity	Total Number	Company
Generator	125 KVA	1	Kirloskar
RO Plant	500 ml	1	V.R Aqua chillers

Dear Sir

- Sub: REMINDER - To provide service and to complete the demonstration for  
UPS supplied by your company. Reg.
- Ref: 1. Our Purchase Order dated 17/10/2010  
2. Our Complaints & your installation incomplete report dated  
07.09.2010, 06.09.2010 & 02.11.2010 and  
3. Our Letter dated 01.04.2011.

\*\*\*\*\*

With reference to the UPS (10-KVA, 2No's) supplied by you, your representative visited our college on 07.09.2010 & 06.09.2010. He inspected both the UPS and prepared a service report stating that both the UPS (C100661910, C100662310) & Batteries are not working due to some manufacturing defects. We brought the same matter to the notice of your Hyderabad Branch persons. Our students are suffering due to the interruption of power during the laboratory hours, as you are not rectifying the problems raised during installation. Therefore, you are hereby requested to replace them by new products. Otherwise please repay the advance amount paid to you (Rs. 1, 30,000/-, dated 14.10.2010; Cheque No. 303639) and take the UPS (2No's) back to your company.

We look forward to hear from you soon in this regard.

Thanking you,

Yours Faithfully
