13th TECHNOERA 2K20

A National Level Students Technical Symposium

To
The Principal / Director,

Dear Sir / Madam,

It gives us immense pleasure to inform you that our college is organizing **13th TECHNOERA-2020**. A National Level Students Technical Paper Symposium in our Institute on **19th & 20th February, 2020**. It provides an ideal platform for the student community to exchange their ideas. It provides a great opportunity to realize their potential and to have an exhilarating experience by participating in the symposium.

The details are given in the enclosed poster. We request you kindly give wide publicity by displaying the poster in the main notice board of your college and encourage the students to take part in **13th TECHNOERA-2020**. We are also enclosing the information brochure and registration form for the young and enthusiastic participants.

We look forward for your cooperation and active participation of your students in our **13th TECHNOERA-2020**.

Thanking you,

Yours faithfully,

Dr. I. Satyanarayana

13th TECHNOERA 2K20

ABOUT THE COLLEGE

Sri Indu Institute of Engineering & Technology was established by Global Trendset Educational Society- 1980, Vanasthalipuram, Hyderabad under the Chairmanship of Sri. R.Venkat Rao. Under the same management, Sri Indu Group of Institutions are also in the field of education by New Loyola Model Education Society- 1979. The Society is having proven rich experience in the field of education for more than 3 years, with an intention and commitment to impart School and Technical education of highest quality.

The Institution is located on a scenic campus of 54 acres on the Nagarjuna Sagar highway at a distance of 12KM from LBNagar. The college is situated in a lush green location which provides aesthetic appeal and a serene environment conducive for learning.

The College offers Diploma, & B.Tech courses in the following disciplines.

1. Electrical and Electronics Engineering
2. Mechanical Engineering
3. Electronics and Communication Engineering
4. Computer Science & Engineering
5. Civil Engineering

OBJECTIVES

The main objective of this symposium is to provide exposure of latest developments in science & technology and to improve the skills required among the student community.
