### Importance of Ethics for the strategic development of individuals

Captain Ravi Kumar, Personality Development Trainer, was invited to deliver a lecture on Importance of Ethics for the strategic development of individuals. He was invited by Sri Indu Institute of Engineering and Technology for conducting a one day program on Importance of Ethics for the strategic development of individuals on the 4th, January 2020, for a group of about 250 students, belonging to different streams of engineering. The main emphasis of the program was on the importance of self-development using strategically planning of ethical values in a professional world. Captain Ravi Kumar explained the importance of creative thinking, using all the senses of sight, sound, smell and touch to elaborate one's thoughts on ethics.

He also made students aware of the importance of time management in our life and the fact that ethics has its own standards varying from person to person. The main motive of this program was to enlighten the students with the use of correct ethical thoughts for the development of own and its importance. The students were encouraged to ask questions and were answered by the Captain Ravi Kumar with clarity and patience. The one on one session with the students was followed by the interaction with the faculty members of SIJET. Dr. I. Satyanarayana also discussed the ways to improve the strategic planning used by the faculty in their classrooms.

The faculty was delighted by the words of wisdom showered upon them by the Speaker. The program ended with a pleasant note, with both the student community and the faculty getting benefitted by the Captain Ravi Kumar's rich experience and knowledge in life.

**The Glimpses of the Program are as below:**

## Report on One Day program

### “Importance of discipline, Values for professional growth in an organization”

Our institution organized a one-day program on “Importance of discipline, Values for professional growth in an organization on 07th December 2019 in auditorium. The program has focused on personal growth of an individual and impact of discipline. The program started at 10:30 AM with the welcome address by Dr. I. Satyanarayana. The dignitary on the dais was Prof. Venu Kalyan, Entrepreneur, Philanthropist, Public Speaker. Opening remarks and introduction of the program was given by Prof. Venu Kalyan. He highlighted the Human values and discipline for the personal growth in organization. Faculty vitality is the main ingredient to enhance professional education and competence. Enriching the faculty vitality in key domains of teaching, assessing, research, professionalism, and administration is perceived to improve educational environment significantly and enhances the academic performance of learners.

The key note address was given by Prof. R.Yadagiri Rao HOD-H&S. He shared that all pleasures are to be enjoyed with sense of morality. All arguments should take place maintaining the dignity. Mahatma Gandhiji’s seven principles are strived to be followed, that is: Wealth with work, Pleasure with conscience, Knowledge with character, Commerce with morality, Science with humanity, Religion with sacrifice and Politics with principles.

The character of the Institution is built with the discipline and harmony in the functioning. Certain policies are to be formed and communicated to all the elements to strike the balance between the freedom and responsibilities, rights and duties, in pursuit of knowledge, respecting all the individuals.

The Glimpses of the Program are as below:
