ACADEMIC YEAR 2020-21

YOGA DAY

Sri Indu Institute of Engineering and Technology – NSS cell has celebrated “Yoga Day” in our college campus on 21st June, 2021 with great fervor. The programme has started with our Principal Dr. I. Satyanarayana lighting the traditional lamp. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

A REPORT ON YOGA DAY:

The practice of yoga will definitely revitalize our bodies and keeps our minds fresh and rejuvenating. The people must have health consciousness. The prime minister of India stressed the importance of yoga & meditation. Yoga is the unification of body mind and soul different aasanas and surya namaskaras were performed by both teachers and students along with supporting staff. The principal of the institution reiterated the significance of yoga and expressed his views by saying that yoga should be made a part of everybody’s life. The next speaker of this programme is Mr.R.Yadagiri Rao, Associate Professor of H&S Department. In his speech, he inspired the gathering with showing different slides with regarding Yoga. These are followed by the speeches made by different students and it was a memorable day in the campus.

MAHATHMA GANDHI JAYANTHI

Sri Indu Institute of Engineering and Technology – NSS cell has celebrated Mahatma Gandhi Jayanthi in our college campus on 02nd October, 2020. All the HODs, faculties have participated.

A REPORT ON MAHATHAMA GANDHI JAYANTHI:

Students of our institution enthusiastically take part in the Gandhi Jayanthi event celebrations. This day is also celebrated as International Peace Day all across the world. Students sing a song based on the truth and non-violence message of Bapu.

Staff gathered on occasion of Gandhi jayanthi

JAWAHARLAL NEHRU JAYANTHI

Sri Indu Institute of Engineering and Technology – NSS cell has celebrated Jawahar Lal Nehru Jayanthi in our college campus on 14th November, 2020. All the HODs, faculty, non-teaching staff have participated.

REPORT ON JAWAHARLAL NEHRU JAYANTHI:

On November 14th, 2020 the nation celebrates the birth anniversary of the former prime minister of India Shri. Jawahar Lal Nehru birth anniversary as Children's Day. This day is celebrated by conducting several activities, topics for seminar are Nehru and Secularism, Nehru and Democracy, his idea of India, education, industrialization, making of modern India, his foreign policy, and inculcation of scientific temper among others.

Staff gathered on occasion of Jawahar Lal Nehru Jayanthi

CONSTITUTION DAY

On the occasion of the 73rd anniversary on 26th Nov 2020 marking the adoption of the Constitution of India, a program was organized by Department of CSE for creating awareness among the students regarding the fundamental duties as put forth by the Indian Constitution.

As per the program, Preamble to the Indian Constitution was read out for the students in attendance followed by a deliberation by Prof R. Yadagiri Rao, on the importance of fundamental duties. The principal emphasized on the virtues of awareness regarding various facets of the Constitution. The students also participated in a debate regarding the current situation of the Indian Government and Constitution.

Prof R. Yadagiri Rao, addresses gathering on the importance of Constitution

WORLD AIDS DAY

Sri Indu Institute of Engineering and Technology – NSS cell has organized world AIDS DAY in our college campus on 1st December, 2020. All the HODs, faculty, non-teaching staff and students have participated.

A REPORT ON WORLD AIDS DAY:

On December 1st every year the world commemorates AIDS DAY. People around the world express their solidarity for the people affected with HIV and to remember those who have died from aids – related illnesses.

Faculty and students are participated in program

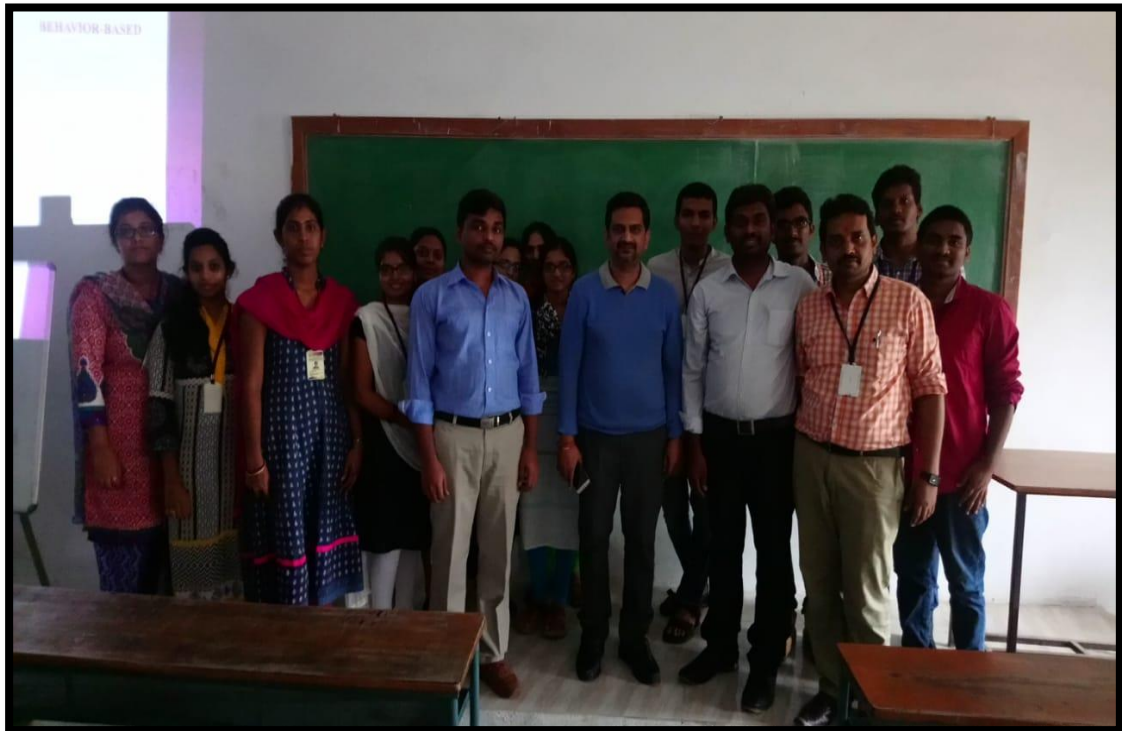

National Energy Conservation Day

Sri Indu Institute of Engineering and Technology – NSS cell has organized National Energy Conservation Day in our college campus on 14th December 2020. All the HODs, faculty, non-teaching staff and students have participated.

A REPORT ON National Energy Conservation Day:

National Energy Conservation Day is celebrated on 14 December annually. Faculty members gathered and gave seminar about energy conservation and the need for renewable energy. Energy conservation refers to the efforts made to ensure that energy is used efficiently by either using less energy for a particular constant purpose – like switching off lights and fans when not being used – or reducing the use of a particular service that uses energy – like driving less and using public transport instead. Energy conservation is a conscious, individual effort, and at a macro level, it leads to energy efficiency. The end goal of energy conservation is to reach towards sustainable energy.

Faculty and students are participated in program

REPUBLIC DAY CELEBRATIONS

Republic Day celebrations were conducted on 26th January 2021. After the flag hoisting, Principal enlightened the students on inculcating the values of past learning from the great old freedom fighters. He encouraged the students to strive for a cleaner and healthier mind.

Staff participated in flag hoisting

INTERNATIONAL WOMEN'S DAY

Sri Indu Institute of Engineering and Technology – NSS cell has celebrated 'International Women's Day' in our college campus on 08th March, 2021 with great fervor. The programme has started with our Principal Dr. I.Satyanarayana lighting the traditional lamp and addressed gathering. International women's day is a which is celebrated on 8th of march every year, it s a day for celebrating women who work hard every day to achieve personal and professional goals .it's a day when there are activists, movements, and march then happens all around the world, it is the day with the most changes .one of the reasons for protesting is for the liberation of women around the world. However this needs to change because women deserve equal opportunities at everything like men. The worlds is moving towards achieving gender balance

Faculty and students are participated in program

National Vaccination Day

Sri Indu Institute of Engineering and Technology – NSS cell has celebrated National Vaccination Day in our college campus on 16th March 2021 with great fervor. The National Vaccination Day, also called the National Immunization Day, is celebrated every year on March 16 to convey the importance of vaccination to the entire nation. The day was first observed in the year 1995, the year on which India started Pulse Polio Programme. This year, the National Vaccination Day is important as the country has started its biggest Covid-19 immunization programme early this year and has already crossed the 30 million mark.

Faculty and students are participated in program

WORLD EARTH DAY

Sri Indu Institute of Engineering and Technology – NSS cell has celebrated World Earth Day in our college campus on 22nd April 2021. World Earth Day celebrations were conducted with a great zeal. The programme has started with a Speech by Principal, later students and teachers of the College have planted the saplings in the College premises.

Students have planted the saplings in the college.
