EACH ONE PLANT ONE

Sri Indu Institute of Engineering and Technology –NSS cell has organized “Each one plant one” programme in Zilla Parishad High School Ibrahimpatnam, on 17th February, 2020 with a great zeal. The programme has started with a Speech by Head Master of the school and students and teachers of the school along with our NSS team have planted the saplings in the school premises.

In order to save environment, we have recently started a campaign under the caption - “Each one plant one”. Under this programme the students were explained the importance of plants and their usefulness in our daily life. The students had brought the saplings and planted the saplings in the School ground. They marched with banners around the school with slogan “EACH ONE PLANT ONE”

HARITHA HARAM

Haritha Haram program organized by our institution in sheriguda village on 23rd July, 2016 with social responsibility. The main motto of this programme is sought to be achieved by a multi-pronged approach of rejuvenating degraded forests, ensuring more effective protection of forests against encroachment and conservation measures following the watershed approach.

Tree plantation by the students and staff in village
