Academic Year 2021-22

### INTERNATIONAL YOGA DAY

Sri Indu Institute of Engineering and Technology – NSS cell has organized “INTERNATIONAL YOGA DAY” in our college campus on 21<sup>st</sup> June, 2022. The programme has started with our Principal Dr. I. Satyanarayana. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

Sri Indu institute of Engg. And Tech. Organized the International day of yoga in the campus at Yoga Center, SIJET with great zeal and enthusiasm. The dignitaries who graced the occasion were, Dr. I Satyanarayana Principal of the college, Professor R.Yadagiri Rao, Dr. L. Kartheesan, Dr. D lakshmaiah & Dr. S. Suresh. Dr. I. Satyanarayana Sir briefed the participants about the aims and objectives of the International Day of Yoga. All the Staff members and Students participated in the programme with a great interest.

### **BRIEF NOTE ON INTERNATIONAL YOGA DAY:**

The programme was started with the formal welcome address given by Professor R. Yadagiri Rao, HOD of H & S Department. He welcomed all the dignitaries and participants. The yoga instructors G. Bhanu Chandar & R. Rishikesh demonstrated the different Asanas of Yoga and also explained the importance of various asanas for healthy lifestyle. The Coordinator threw light on the importance of Yoga Day and emphasized that each and everyone has to make Yoga part and parcel of life. He said that institute is conducting this event on regular basis and celebrating the International Day of Yoga for the 8th consecutive year. The Department of physical education conducts regular classes for yoga for students as well as faculty and staff members. The vote of thanks was proposed by Dr. D. Lakshmaiah, for all the yoga instructors, participants and the staff for joining the 8th International Day of Yoga celebration.

### PARIKSHA PE CHARCHA

Sri Indu Institute of Engineering and Technology – NSS cell has organized a virtual meeting on “PARIKSHA PE CHARCHA” in our college campus on 1<sup>st</sup> April, 2022. The programme has started with our Principal Dr. I. Satyanarayana. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

#### BRIEF NOTE ON PARIKSHA PE CHARCHA:

Prime Minister Narendra Modi interacted with the students, teachers and parents at the Pariksha Pe Charcha 2022 event on Friday, April 1. He shared some interesting mantras to beat exam stress and motivated the students to identify their strengths and interests and decide their ambitions accordingly. Around one thousand students were present in the live event held at Talkatora Stadium, New Delhi while lakhs of students watched the live event on various online platforms like Youtube, TV Channels, and social media platforms. He talked about various aspects of student's life and shared his experiences as well. PM Modi said that he feels 50 years younger than his age, every time he interacts with the students. Take a look at the highlights of PM Modi's speech at the Pariksha Pe Charcha 2022.

## NSS Event Organized Report

Academic Year 2021-22

### INTERNATIONAL WOMEN'S DAY

Sri Indu Institute of Engineering and Technology – NSS cell has organized “INTERNATIONAL WOMENS DAY” in our college campus on 8<sup>th</sup> March, 2022. The programme has started with our Chairman Sri. R. Venkat Rao and Principal Dr. I. Satyanarayana lighting the traditional lamp. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

### A REPORT ON WOMEN'S DAY

International women's day is a which is celebrated on 8th of march every year, it s a day for celebrating women who work hard every day to achieve personal and professional goals .it's a day when there are activists, movements and march then happens all around the world, it is the day with the most changes .one of the reasons for protesting is for the liberation of women around the world. There are some countries where women don't get equal rights. In these countries, the role of women is limited to household chores. However this needs to change because women deserve equal opportunities at everything like men.

Facilitation by Chairman Shri. R. Venkat Rao

## NSS Event Organized Report

Academic Year 2021-22

### AWARENESS ON DRY&WET WASTE MANAGEMENT

Sri Indu Institute of Engineering and Technology – NSS cell has organized “AWARENESS ON DRY AND WET WASTE MANAGEMENT” in our college campus on 12<sup>th</sup> March, 2022. The programme has started with our Principal Dr. I. Satyanarayana. All heads of the departments, staff Members and students have participated in this programme.

#### BRIEF NOTE ON DRY&WET WASTE MANAGEMENT:

Dry and Wet Waste segregation is the separation of wet waste and dry waste. The generation of waste is unavoidable, and the materials carried in this waste impacts human and environmental health. Naturally, waste management is something that must be carried out, and one way to do this meticulous segregation of wet and dry waste, so that dry waste can be recycled and wet waste can be composted.

When we segregate waste, there is reduction of waste that reaches landfills and occupies space. Air and water pollution rates are considerably reduced, and make it easier to apply different processes – composting, recycling and incineration can be applied to different kinds of waste.

Speech on Dry and Wet Waste Segregation

Academic Year 2021-22

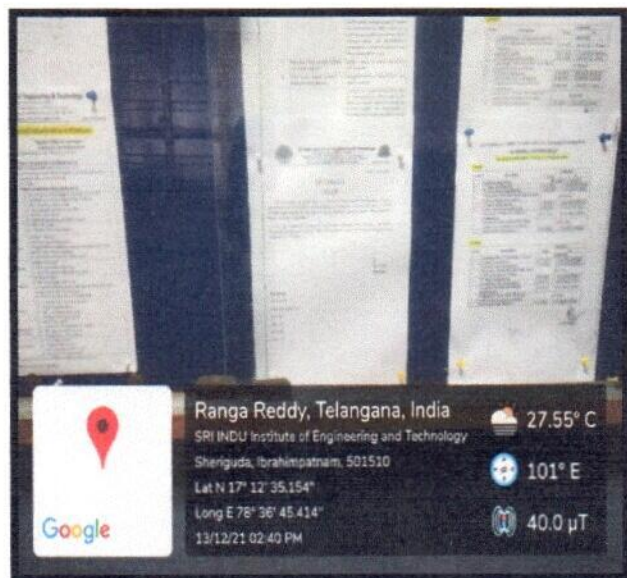

### AWARENESS ON ENERGY CONSERVATION

Sri Indu Institute of Engineering and Technology – NSS cell has organized virtual meeting on “AWARENESS ON ENERGY CONSERVATION” in our college auditorium on 14<sup>th</sup> December, 2021. The programme has started with our Principal Dr. I. Satyanarayana. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

**Title:** Why should we conserve before we generate?

#### BRIEF NOTE ON ENERGY CONSERVATION:

Gandhiji's statement that “Earth has enough for everybody's need but not for anybody's greed” is as fundamental as the Sun rising from the East. However, in contradiction, the world economies are increasingly trying to produce more and consume more. This contradiction is fuelled mainly (80-85%) by fossil energy, leading to another contradiction. Manufacturing of any sort required resources, which itself leads to carbon emissions, even if it's for clean energy like solar energy. This is resulting in catastrophic climate change. Deriving from his experiences from Energy Swaraj, Prof. Solanki on this Energy Conservation Day will be addressing the audiences about the importance of conserving energy before generating it

### AWARNESS ON WOMEN LEGAL RIGHTS

Sri Indu Institute of Engineering and Technology – NSS cell has organized “AWARNESS ON WOMEN LEGAL RIGHTS” in our college campus on 8<sup>th</sup> March, 2022. The programme has started with our Principal Dr. I. Satyanarayana. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

#### BRIEF NOTE ON AWARNESS ON WOMEN LEGAL RIGHTS:

We are all entitled to human rights. These include the right to live free from violence and discrimination; to enjoy the highest attainable standard of physical and mental health; to be educated; to own property; to vote; and to earn an equal wage. But across the globe many women and girls still face discrimination on the basis of sex and gender. Gender inequality underpins many problems which disproportionately affect women and girls, such as domestic and sexual violence, lower pay, lack of access to education, and inadequate healthcare.

### NATIONAL ENGINEER'S DAY

Sri Indu Institute of Engineering and Technology – NSS cell has organized “NATIONAL ENGINEER’S DAY” in our college campus on 15<sup>th</sup> September, 2021. The programme has started with our Principal Dr. I. Satyanarayana. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

#### BRIEF NOTE ON NATIONAL ENGINEER’S DAY:

India celebrates Engineer's Day to commemorate the birth anniversary of the greatest Indian Engineer, Mokshagundam Visvesvaraya, on September 15 every year. Engineer's Day is celebrated to pay rich tributes to Bharat Ratna Visvesvaraya who was regarded as the 'Father of Modern Mysore'. A prolific civic engineer, educationist, economist, scholar of the 20th century, Visvesvaraya made significant contributions in the field of engineering.
