## 2. Counselling:

In order to resolve day to day academic problems of the students, mentors are appointed for a batch of 20 students, and they will counsel the respective students twice in a month, to solve the problems come across during their course of study. This is a continuous process till the end of academic career of the student.

Counseling is arranged by the college for girl students in three major areas i.e., Counseling related to academics, career and behavioral patterns. The counselor counsels the student on issues like personal, psychological, emotional problems and difficulties. It helps them to deal with stressful or emotional feelings and to inculcate the positivity in them.

### **3. Common Rooms**

Separate Common rooms are provided for boys and girls. Rooms are provided with necessary facilities like first aid box, rest room, cots, beds, mirror, chair, table, dustbin, etc. Students utilize the common room to take rest when they are ill.

#### **4. Day care center for young children**

Child care is one of the most effective ways that colleges can help their employees in completing their work without being worried about their child's welfare.

Institution provides an on-campus care center which is much less affordable and high in quality. Over the years, Institution has maintained the day care with essential products and services. An In-charge looks after them and takes care of their needs.
