AWARNESS ON WOMEN LEGAL RIGHTS

Sri Indu Institute of Engineering and Technology – ICC cell has organized “AWARNESS ON WOMEN LEGAL RIGHTS” in our college campus on 8th March, 2022. The programme has started with our Principal Dr. I. Satyanarayana. For this memorable event, all heads of the departments, staff Members and students have participated in this programme.

BRIEF NOTE ON AWARNESS ON WOMEN LEGAL RIGHTS:

We are all entitled to human rights. These include the right to live free from violence and discrimination; to enjoy the highest attainable standard of physical and mental health; to be educated; to own property; to vote; and to earn an equal wage. But across the globe many women and girls still face discrimination on the basis of sex and gender. Gender inequality underpins many problems which disproportionately affect women and girls, such as domestic and sexual violence, lower pay, lack of access to education, and inadequate healthcare.
