Dear Students,

We are organizing a **5 Days WORKSHOP + 24 Hours HACKATHON on DATA SCIENCE** in the college premises for 1 week.

Start Date: Workshop: 15th, 16th 20th, 21st and 22nd September, 2023

Hackathon: 23rd and 24th September.

Time: 9:30 AM - 4:00PM

Data science is an emerging technology which has high paid jobs and is necessary for the future. Learning Data science gives you opportunities to land in high paying jobs and understand the technical patterns out in the corporate world

In our **5 Days Workshop** We will be having the complete training on the topics of PYTHON, DATA SCIENCE AND ML which helps a lot in the placements.

Participation in the Hackathon serves you with practical knowledge and the certification we provide from AICTE adds much weightage to your resume and add-on of getting hired.

Hackathon will focus on Data Science project building in real time with the workshop knowledge.

This event aims to provide a platform for students to explore and apply their knowledge in real-world scenarios.

Registration Fee can be paid to your HOD

Fill the Form:
