## Chairman Message

It gives me joy unspeakable to affirm that Sri Indu Group of Institutions, having completed 37 years successfully, has grown into one of the best institutions in the one of the leading Groups in Hyderabad, T.S.

Our Institute is an Institution Recognized under 2(f) of UGC Act 1956, Approved by the All India Council of Technical Education (AICTE) Affiliated to JNTUH.

As everyone is aware of the fact that there is unprecedented advancement in the academic research and industry Without an iota of doubt it is to be admitted that the field of engineering and technology has undergone radical changes.

That the sound engineering education is synonymous with a better standard of living has become a catchy adage of the day.

**Sri Venkat Rao, M.A, B.Ed.,  
CHAIRMAN**

## Secretary Message

It is my personal observation that the students are perhaps at the most difficult crossroads of their life after their intermediate examinations.

The decision they make at this juncture is going to have a long lasting impact on their future life career. A competent, qualified, experienced and responsible head of the institute can only operate with a vision towards development of an institution.

He is as much instrumental as the engine of train. Our well-equipped laboratories such as laboratories with the computers having high-end configuration, the internet facility, Wi-Fi enabled campus state of the art of the library with national and international journals and magazines certainly create a congenial ambience for an ideal engineer in the making to growl am really happy that despite slowdown of economy.

**Sri.R. Anup Chakravarthy  
SECRETARY**

## Principal's Message

It is with great pleasure that we bring you the Bi-Annual news letter of Sri Indu Institute of Engineering and Technology. This edition of the Newsletter reports the significant activities carried out by Students, Faculty and Alumni in the areas of Teaching and Learning, Research and Development and Industry Interaction. The staff and students will get more recognition when the awards/achievements they won are publicized through the Newsletter. It would definitely be an inspiration and motivation for other students and staff to scale newer heights. I am sure that publishing a newsletter of this sort containing the achievements of the SRI INDU family will be recognition to them. I wish them all the very best for future endeavours.

**Dr.I.Satyanarayana  
M.Tech (IIT-KGP), Ph.D.,F.IE.,  
MISTE., MISHMT.  
Principal.**

# DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

## HOD Message

Dr. Bethapudi Ratnakanth is currently working as Professor and Head, Department of CSE in Sri Indu Institute of Engineering and Technology, Hyderabad. He is a graduate of B.E from Andhra University in 1997, and obtained his Master of Engineering from Swami RamanandaTeertha Maratwada University, Nanded, Maharashtra in 2000 and he has awarded with Ph.D from Andhra University in the area of Blockchain Technology in 2021. He has Rich experience of 22 years in Teaching and Research and administration in various reputed engineering colleges. His area of interest includes Blockchain, Network security, image processing and Internet of Things. He has published over 21 papers in national, international journals and published three patents.

**Dr.B.Ratnakanth**  
B.E, M.E, Ph.D.  
Professor & Head CSE

## DEPARTMENT VISION

To become a prominent knowledge hub for learners, strive for educational excellence with innovative and industrial techniques so as to meet the global needs.

## DEPARTMENT MISSION

DM1	To provide ambience that enhances innovations, problem solving skills, leadership qualities, decision making, team-spirit and ethical responsibilities.
DM2	To impart quality education with professional and personal ethics, so as to meet the challenging technological needs of the industry and society.
DM3	To provide academic infrastructure and develop linkage with the world class organizations to strengthen industry-academia relationships for learners.
DM4	To provide and strengthen new concepts of research in the thrust area of Computer Science and Engineering to reach the needs of Government and Society.

## About Department of Computer Science & Engineering

The department of Computer Science and Engineering was established in the year 2007 with an intake of 60 students and increased to 180 in the year 2012. The Department has been maintaining high standards in imparting quality education in Computer Science. Computer Science & Engineering with highly experienced faculty members with highest qualification M.E / M.Tech / Ph.D Degree.

The main objective of the department is to provide a forum in which the participants obtain information about the advanced emerging technologies. Department is involved and aiming at the collaboration process from both industry and academics.

To enhance the quality of learning we move forward for more collaborations and interactions with the industry that helps our students to brace themselves for working in the industry.

Our college has been providing the nourishments of fashioned future of the students from 16 years and it has nurtured students as professionals. The institution leaves an indelible mark on the lives of its students, concerning them to a great career and challenging them to discover and define their functional roles in the industry. We would like to ensure that the students are undertaking the challenging tasks intellectually, socially and technically.

## NATIONAL LIBRARIAN DAY

National Librarian Day that is celebrated universally. However, some countries or regions may have specific days or weeks dedicated to celebrating librarians and the importance of libraries.

In the United States, for example, National Library Week is celebrated annually in April, and it often includes a day to specifically appreciate librarians. The exact dates and events can vary, so it's a good idea to check the most recent information for any updates or changes

If there have been developments or new recognitions since my last up date in January 2022, I recommend checking with authoritative sources or the latest online resources for the most accurate and current information on National Librarian Day celebrations

## CAREER COUNSELING

Career counseling is a broad and essential aspect of personal and professional development. Explore the significance of introducing career counseling at an early stage in high schools. Discuss the challenges and opportunities that come with changing career paths and how counseling can ease this process. Investigate how technology, such as AI-driven career assessments and online counseling platforms, is changing the landscape of career counseling. Explore how career counseling can be adapted to support individuals pursuing non-traditional or unconventional career paths. Discuss how career counselling can play a role in helping individuals achieve a better work-life balance. Explore how globalization and an interconnected world influence career choices and opportunities.

## VERZEOPOOLCAMPUSDRIVE

Verzeo is an ed-tech company that offers various training programs and courses in collaboration with industry experts. These programs are designed to enhance the skills of students and professionals in areas such as data science , artificial intelligence, machine learning, cyber security, and more. A pool campus drive is an event where multiple colleges or institutions come together to host a recruitment drive for a company. This is a cost-effective way for companies to reach a larger pool of potential candidates in a single location. Students from different colleges participate in the drive, and the company conducts various stages of the recruitment process, such as aptitude tests, technical interviews, and HR interviews.
